

APPROVED PUBLIC HEARING

The Grass Lake Charter Township Board met at 7:00 p.m. on Tuesday, April 10, 2012 at the Township Hall for a Public Hearing regarding an application for an Industrial Facilities Exemption Certificate from Tenneco Engineering Center. Board members Stormont, Clark, Loveland, Adams, Jr., Hart, Lesinski, Bray present. Also present; Assessor DeBoe.

No representative from Tenneco Engineering Center was present. The board members then discussed the application. Comments were made in regard to the fact that the application did not have a legal description of the property or copies of the building permits. Also the list containing the real and personal property amounts were intermingled so that you could not sort out what went together.

It was decided to table the application due to the fact that several items are missing on the application. The Clerk to contact Tenneco Engineering Center to advise them of the items missing.

The Public Hearing adjourned at 7:20 p.m.
