

APPROVED WORK SESSION MINUTES

The Grass Lake Charter Township Board met on Tuesday, May 25, 2010 at the Conference Room for the monthly work session. Board Members Stormont, Clark, Loveland, Hart and Lesinski present. Absent: Bray and Adams, Jr. The meeting was called to order at 8:35 a.m.

First topic of discussion was in regard to the malfunction of the sewer on the corner of Page Avenue and Grey Tower Road. Also further discussed the bill that was sent from Lester Bros. for the repair of same. After lengthy discussion, it was the consensus of the board members present to contact Attorney White.

Supervisor Stormont presented a packet prepared by Attorney White in regard to the Leoni Regional Utility Authority. An amendment and a resolution will need to be passed by all 13 municipalities to the original "Articles of Incorporation for Leoni Regional Utility Authority". This needs to be read by all and action to be taken at the June regular board meeting.

The "Resolution Supporting Jackson County's Strategic Economic Development Plan" will also be on the June regular meeting agenda.

Trustee Hart asked if anything has been done in regard to the floor at the depot. Stormont has spoken with Marilyn Ouelette and they are trying to locate Mr. Grimes.

Trustee Lesinski also stated that he and Lisa Cole are working together on mentoring a drug abuse program and would like cooperation from Township, Village, Churches and the School. This is just in a planning stage and Lesinski will be coming back with more information later.
