Board Members Present: Lesinski, Brennan, Loveland, Bray, Lamborghini and Zenz. Bednarski-Lynch arrived at 2:45 p.m.

Master Plan Update – Planning Commission approved the master plan at their last meeting. Our board will vote on it at the February regular board meeting. It can be found on line, so everyone should read it and if any questions get with Lesinski or Lammers.

Tennis Courts– Jackson County had filed for a grant and it was turned down. Our population is to low and our median income to high. A group wants to play pickle ball, discussion on what or if the Township could do anything.

American Tower – Lesinski responded back to the company that the board wanted to leave our agreement as is or we would entertain the idea of a onetime buyout.

Office Building – Lesinski explained some of the issues discovered since the water line break. Board wants Lesinski to get bids for current plumbing issue. Much discussion on building a new Township Office, repairs needed in the current building, addition on existing building and Senior Center. Another work session will be scheduled for January 30, 2023 at 2:00 to continue discussing the above issues.

Whistlestop – Lesinski had meeting with J. Sager and V Kalmbach. M Adkins will help if needed for \$20.00 per hour. He will not be needed for mowing of the lawn.

Sewer Rate Increase – Lesinski presented what the 3 sewer line increases would look like. Some discussion.
